

10/29/2020

Dear Patrons:

It is with an overabundance of caution that we are limiting entrance to the library to one person at a time. (For families, please send in one person from your household.)

Patrons will have 10 minutes in the library. There will be no public computer access until further notice.

To enter please:

- 1) Sanitize hands
- 2) Put on provided gloves
- 3) Wear a mask
- 4) Ring the bell (it looks like an apple) and wait for confirmation that it is okay to enter
- 5) Upon entering, follow social distancing guideline (6 feet)
- 6) Throw away gloves and re-sanitize hands on your departure

Thank you for your continued support!

Curbside services are also available. Please call OGPL at **603 863-6921** during regular business hours for more information on curbside services.
