Membership Discussion - Update

Additional alternates are still needed for the Zoning Board of Adjustments. If anyone is interested in becoming a member, please stop by a meeting on the second Wednesday of any month. This will remain a standing item until filled.

Other Business

- The next regular meeting will be the second Wednesday of January - January 13, 2021.
- **Broadband Internet Update** - Chair Bursey updated the board regarding the status of the Broadband Internet Discussion. The Selectman have sent out the RFPs and are waiting for responses from vendors. The Board of Selectman will be having a meeting on Monday, December 14, 2020 at 6pm to discuss the bond procedure and other items associated with this project. Chair Bursey asked the board if they would be willing to attend the meeting. After some discussion, the board decided that as the Goshen Internet Committee had a ZBA quorum that it might be best to request (and if accepted announce) the meeting as joint meeting of the Select Board and the ZBA. A joint meeting with the Select Board would provide the opportunity for the ZBA/Goshen Internet Committee to offer assistance if so desired. Chair Bursey will email the Select Board to see if a joint meeting is desirable. If the joint meeting occurs, the meeting notice will be posted by December 10, 2020 in the requisite Town locations including the Town website as a special meeting of the ZBA with the Select Board.

Standing Items:

- Regulation Discussion - high density dwellings (pending until all members are present)
- Member Discussion - seeking alternates and full-time members (ongoing)
- Broadband Internet Discussion - Update

Judy Dunn made a motion to adjourn. Ron Parenteau seconded the motion. All were in favor; meeting adjourned at 7:19pm.
