

Next meeting Thursday June 16th at 7 pm

Agenda

Gunnison Lake Bridge & Trail work

- A. Bridge one is finished thank you Mike!
- B. Bridge number two Mike has the tree to start the second bridge. What else is needed to complete it?
- C. Trail work. We need to build up the trail or some sort of board walk to raise up over spring water as well as the possibility of moving the trail inward. What do we need? Do we have a trail day and ask for volunteers?

Naturefest

- A. I have made 5 backpacks to donate to the library for nature walks and hiking. I will be there Saturday June 25 from 8 to 1 with a table for the concom.
- B. I was thinking we could have the trash bags available for members of the community at the concom table to take home and do a clean up on their road that day or Sunday and let the dump staff know the blue bags are free when they come Sunday.

Lilyan Wright 5 and 10K

- A. Need to start seeking out donations and sponsors.
