- If the Board of Selectmen vote to approve building on Class VI, then the waiver needs to be registered at the Registry of Deeds. This hold the town not liable.

- Mrs Bursey presented the Morris' application.
- Kevin said on his own time, he used his private equipment to work on DeRoe Road, not using town equipment or on town time. He spoke of the quality of the road.
- Dianne asked if a fire truck can get up DeRoe Road. Kevin said absolutely. Alicea suggested Fire Chief and Building Inspector to chime in.
