

Attention - Town of Goshen Residents

As of November 1, 2022, the Town of Goshen Transfer Station will temporarily **NOT** be able to accept mixed paper for recycle due to a market drop and not being able to move product from White River resulting in the temporary shutdown of accepting recyclables from outside stations.

Examples of mixed paper that will NOT be accepted: newspaper, junk mail, paper bags, envelopes, magazines, books, cereal boxes, beer boxes, paper towel rolls, toilet paper rolls, egg cartons, shredded paper, etc. - **Please put these paper items in with household garbage.**

However, corrugated cardboard will still be accepted for recycle. Examples: amazon boxes, chewy boxes and similar.

Thank you for your cooperation,

Goshen TFS
