Re: 2025 Budget Committee Meeting Schedule

Happy Holidays!

I first want to thank everyone for taking time out of their lives to serve on the Budget Committee. Last year we did a shorter budget review season, and it worked out very well. As long as we are able to stay on task and have meaningful discussions, I don't think we should do anything different for this year's budget.

Below is the budget schedule for the 2026 budget season. We will observe an 8PM curfew for all meetings.

I am looking forward to completing another year on the Budget Committee by providing Goshen a responsible and reasonable budget.
